Account Handling

You can choose between an online statement or a statement by mail. Since May 4, 2015, passbooks are no longer offered. If you were issued a passbook before this date, you have the option of keeping it to periodically update your account entries.

The statement of account will consolidate all the information on any investment, RRSP, transaction and line of credit accounts for which you are the **primary holder** (except the Progress Account in US\$ and the tax-free savings account).

If you are a **joint holder** of a line of credit account, you will receive a separate statement of account addressed to all borrowers. You can also receive the statement of account and any cost of borrowing disclosure documents on an individual basis. To take advantage of the separate disclosure option, please schedule a meeting with a branch advisor or get in touch with our call centre at **514-394-5555** (Montreal area) or **1-888-835-6281**.

Online statement of account

The contents of the online statement are the same as the statement by mail. If you choose to switch from statements by mail to the online statement, all eligible statements will be converted and will be available online.

If you have chosen to receive separate statements for your joint line of credit account, all co-borrowers must subscribe to the online statement to receive the online statement free of charge.
